Dear Mr. Chase:

My assistant called your office on Friday, May 27, 2005, and you suggested that we submit the enclosed drawings and this letter directly to you. In response to the rejection of Figures 3A-4F in the February 25, 2005, Office Action, we have prepared and included formal drawings for FIGS. 4A-4F and the original drawings for FIGS. 3A-3X that were previously accepted in Application No. 09/384,458 and that are now part of issued Patent No. 6,470,171. We request that FIGS. 3A-3X be accepted in this application as well.

Thank you for your consideration in this matter and please contact me if you have any questions.

Sincerely,

SNELL & WILMER LLP
